

The technical drawing consists of three views of a mechanical part:

- Front View (Top Left):** Shows a rectangular block with a central circular hole. The overall width is labeled **A**. The overall height is labeled **C**. The hole has a diameter labeled **D**. The distance from the top edge to the top of the hole is labeled **E**. The distance from the bottom edge to the bottom of the hole is labeled **F**. The distance from the center of the hole to the right edge is labeled **G**.
- Top View (Bottom Left):** Shows the part from above. It is a rectangle with a central circular hole. The width is labeled **A** and the depth is labeled **B**. The hole has a diameter labeled **D**. The distance from the center of the hole to the right edge is labeled **G**. The distance from the center of the hole to the front edge is labeled **F**.
- Side View (Right):** Shows the part from the side. The overall width is labeled **A**. The overall height is labeled **C**. The distance from the top edge to the top of the hole is labeled **H**.
